## Brett's Tours are leading the way in reducing CO2

A percentage of every ticket on BRETT'S TOURS goes to the Reforest project. Every tree we plant is on the Atherton Tablelands in the certified Australian reforestation project and removes all of our CO2 and preserves our native plants and wildlife. Your payment ensures that your tree(s) will be planted, cared for and have legal protection for at least 100 years!

To add to the trees that we're planting for your ticket you can start your own personal forest. You can watch them grow, receive updates from the project, and even plant trees of your own if you would like to match us.

KURANDA SCENIC TRAIN

PALM COVE STOPOVER

Hi my name is Brett and I'd like to tell you what my Kuranda and Palm Cove tours are all about.

I pick you up from your accommodation in a comfortable air-conditioned bus and with a maximum of only 20 guests you are guaranteed personal service excellence and interesting entertaining commentary as we head down the spectacular Captain Cook HWY.

We have 2 daily departure times to suit what you are looking for.

Both tours are 7.5 hours long and include the multi award winning **Skyrail Rainforest Cableway** where you will enjoy a World Heritage listed rainforest experience and take in some of the most spectacular views on earth. You'll glide just metres above the rainforest canopy before descending through the canopy layers and deep into the heart of the forest at Skyrail's two rainforest stations for the ultimate tropical rainforest experience.

- On arrival in Kuranda I'll be there waiting for you at Skyrail terminal/Train platform. We'll jump in the bus together and I'll drive you up the hill into the 'Village in the rainforest' (**Limited mobility & disabled-friendly- NO WALKING.**) I'll point out all the colourful arts & crafts markets, cafes, restaurants, animal parks and leave you to enjoy your 2 hours of **FREE TIME**.

- Wander the shops, markets, galleries, enjoy a bite to eat in one of the many cafes and great restaurants. (at your own expense)
- Join the Kuranda riverboat and cruise through the world's most ancient rainforest enjoying commentary about river life.
- Visit the Butterfly Sanctuary, Bird World full of friendly tame birds or pop into the Koala Gardens and have your picture taken with one!!

After approx 2 hours in Kuranda it's time for a trip on one of the most spectacular rail journeys in Australia the **Kuranda Scenic Railway**. Travel through the rainforest and into the stunning Barron Gorge enjoying breathtaking scenery, waterfalls and tunnels. (ask us about the Gold Class upgrade) Once we arrive at Freshwater station we head up the coast for a ½ hour stop at beautiful **Palm Cove**.

I will show you along the palm fringed Esplanade before joining you to enjoy a 'Signature Cocktail' cocktail / wine / beer / soft drink (at own expense) overlooking the picturesque beach or take a stroll on the beach. We return to Port Douglas with new friends and great memories I'll drop you at your accommodation or restaurant and say 'Goodbye' at the end of our fantastic day together.

**"An outstanding tour!"**

Brett's tour was absolutely outstanding. Brett himself was a friendly, funny, helpful and extremely knowledgeable guide. Brett picks you up from your hotel building door, organises every part of the day's activities. This just means all you have to do is sit back and enjoy the day, worry-free. The tour is just great, the views from the Skyrail and the Kuranda Scenic Rail are just spectacular. Kuranda itself is a great little town with some awesome markets. I can't recommend Brett's tour highly enough, it's the best Kuranda tour on the market. Book in!
