

Hi my name is Brett and I'd like to tell you what my Kuranda and Palm Cove tours are all about.

I pick you up from your accommodation in a comfortable air-conditioned bus and with a maximum of only 12 guests you are guaranteed personal service excellence and interesting entertaining commentary as we head down the spectacular Captain Cook HWY.

We have 2 daily departure times to suit what you are looking for.

Both tours are 7.5 hours long and include the multi award winning Skyrail Rainforest Cableway where you will enjoy a World Heritage listed rainforest experience and take in some of the most spectacular views on earth. You'll glide just metres above the rainforest canopy before descending through the canopy layers and deep into the heart of the forest at Skyrail's two rainforest stations for the ultimate tropical rainforest experience.

On arrival in Kuranda I'll be there to meet you with the bus so I can show you around this, 'Village in the rainforest' famous for its colourful arts and crafts markets which are open every day of the year. Stalls offer a wide range of Aboriginal artefacts, handmade leather goods, wood and jewellery. Entertainment from wandering buskers may also be enjoyed. There are many cafes to enjoy lunch at or try some macadamia nuts, honey, homemade sweets or delicious homemade icecream.

After approx 2 hours in Kuranda it's time for a trip on one of the most spectacular rail journeys in Australia the Kuranda Scenic Railway. Travel through the rainforest and into the stunning Barron Gorge enjoying breathtaking scenery, waterfalls and tunnels. (ask us about the Gold Class upgrade) Once we arrive at Freshwater station we head up the coast to beautiful Palm Cove.

I will show you along the palm fringed Esplanade before joining you to enjoy a 'Signature Cocktail' cocktail / wine / beer / soft drink / coffee / tea / cake (at own expense) overlooking the picturesque beach or take a stroll amongst the shops and galleries, wander the beach and let the kids play on the playground. As we return to Port Douglas with new friends and great memories I'll drop you at your accommodation or restaurant and say 'Goodbye' at the end of our fantastic day together.

tripadvisor

"An outstanding tour!"

Brett's tour was absolutely outstanding. Brett himself was a friendly, funny, helpful and extremely knowledgeable guide. Brett picks you up from your hotel building door, organises every part of the day's activities. This just means all you have to do is sit back and enjoy the day, worry-free. The tour is just great, the views from the Skyrail and the Kuranda Scenic Rail are just spectacular. Kuranda itself is a great little town with some awesome markets. I can't recommend Brett's tour highly enough, it's the best Kuranda tour on the market. Book in!
