Brett's tours have been exploring the Tablelands with visitors for over 9 years, we have a wealth of knowledge of the region and would love to share that with you.

The Atherton Tablelands is such a diverse region ranging from 800-2200 feet above sea level. Located just south west of Cairns and Port Douglas, the cooler-climate of the Atherton Tablelands features a huge variety of landscapes and attractions – from green rolling hills of the dairy country, quaint villages, waterfalls to spectacular national parks amazing local producers and the dusty dirt roads of the outback complete with termite mounds. Come and explore with us!!

We can put together an amazing itinerary for you visiting some of the highlights listed below.

We suggest you call or email us with your interests and let us put together a fantastic day for you.

All tours include Morning tea, lunch and afternoon tea with a few extras during the day including a **special gift hamper of all local Tableland produce** for you to enjoy while you are here or pack in the suitcase for memories of the Tablelands when you return home.

Choose from some of these favourite spots on the Tablelands and let us design the itinerary for you and shape it to your interests.
